- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
  - (i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, and
  - (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net profit after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2023.

#### **Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Statement

- 5. This Statement has been prepared on the basis of the standalone annual financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the Ind AS specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- 6. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Statement

- 8. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 9. As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial control with reference to financial statements and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure, and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cliniered Accountants

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matter**

12. The Statement includes the financial results for the quarter ended 31 March 2023, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subject to limited review by us.

3. a) The Company has equity investments in GMR Airports Limited which further has investments in various investee entities engaged in operating airport and other allied activities. During the quarter ended March 31, 2023, the Company has entered into a scheme of merger, as further detailed in note 6(c), wherein independent valuation specialists have computed the swap ratio on the basis of fair valuation of the respective entities determined using the volume weighted average market price of Company and the Income approach. As at the current year end, the management together with an independent valuation expert determined the fair valuation of investments in GMR Airports Limited giving cognizance to the aforementioned approach used for the determination of swap ratio, including considering improved market outlook, legal updates and business conditions. Basis such valuation the Company has recognised a gain of Rs. 12,152.86 Crore and Rs 11,633.92 Crore in the Other Comprehensive Income for the quarter and year ended March 31, 2023 respectively.

b) The fair value of investments in equity shares and Compulsorily Convertible Preference shares ('CCPS') of GMR Airports Limited ('GAL') are subject to outcome of ongoing litigations and claims pertaining to Delhi International Airport Limited ('DIAL') and GMR Hyderabad International Airport Limited ('GHIAL'), subsidiaries of GAL, as follows:

- Ongoing arbitration between DIAL and Airports Authority of India ('AAI') in relation to the payment of Monthly Annual fees ('MAF') for the period till the operations of DIAL reaches pre COVID 19 levels. Basis an independent legal opinion obtained by the management of DIAL, DIAL is entitled to be excused from making payment of Monthly Annual fee under article 11.1.2 of OMDA to AAI on account of occurrence of Force Majeure Event under Article 16.1 of OMDA, till such time DIAL achieves level of activity prevailing before occurrence of force majeure. Further, the management of DIAL had entered into settlement agreement with AAI on April 25, 2022, which will govern interim workable arrangement between parties for the payment of MAF. Accordingly, DIAL had started payment of MAF with effect from April 1, 2022, onwards. The expected impact of the above matter on the fair value of investments is not significant.
- Consideration of Cargo, Ground Handling and Fuel farm ('CGHF') income as part of non-aeronautical revenue in determination of tariff in case of GHIAL. GHIAL has filed appeal with Telecom Disputes Settlement Appellate Tribunal ('TDSAT') and the adjudicating authority, TDSAT, in its disposal order dated 6 March 2020 has directed Airport Economic Regulatory Authority ('AERA') to reconsider the issue afresh while determining the aeronautical tariff for the Third Control Period ('TCP') commencing from 1 April 2021. In July 2020, the GHIAL has filed an application with the AERA for determination of

Aeronautical tariff for the third control period commencing from 1 April 2021 to 31 March 2026 wherein it contended that CGHF income shall be treated as non-aeronautical revenue. During the previous year, AERA vide its Order dated 31 August 2021, had issued Tariff Order for the TCP effective from 1 October 2021 considering the CGHF revenue as aeronautical revenue. GHIAL had also filed an appeal against the Tariff Order for the TCP with TDSAT, as the management of GHIAL is of the view that AERA has not considered the outstanding issues in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated 06 March 2020.

The management has also obtained legal opinion according to which GHIAL's contention as above is appropriate as per terms of Concession agreement and AERA Act, 2008.

    error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
    is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
    misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
    collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

SINFRASTRUCTURE SINFRA

3. (a) DIAL has entered into development agreements ("Development Agreements") with five developers collectively referred as Bharti Reality SPV's ("Developers") on March 28, 2019 ("Effective date") granting the Developers the right during the term for developing 4.89 million square feet commercial space from the Effective Date subject to the receipt of applicable permits. As per the terms of Development Agreements, DIAL was entitled to receive interest free refundable security deposit ("RSD"), advance development cost ("ADC") and the annual lease rent ("ALR") in certain manner and at certain times as stated in the respective Development Agreements.

With respect to the receipt of applicable permits, the approval of Concept Master Plan ("CMP") was received from Delhi Urban Art Commission (DUAC) in March 2021. Thereafter, a sudden surge in Covid-19 cases emerged in India affecting the entire economy. Accordingly, DIAL was not in a position to effectuate the transaction and seek payment of ALR, balance amount of RSD and ADC from the Developers until August 2021.

On August 27, 2021, basis the CMP, DIAL has entered into certain modifications w.r.t area and date of commencement of lease rental for the three Developers. As per amended agreements, lease rentals have started with effect from September 01, 2021 for modified area of 2.73 million square feet (approx.).

Accordingly, considering the above and the amendment with three Developers as Lease Modification, lease receivables (including unbilled revenue) of Rs. 678.04 crore accrued until August 2021 had been adjusted to balance lease period, in accordance with recognition and measurement principles under Ind AS 116 "Leases". Consequently, DIAL has also carried forward the provision of annual fee to AAI of Rs. 211.35 crore corresponding to straight lining adjustments of Ind AS 116 which will get adjusted in future in line with Lease receivables.

In respect of Development agreements with two Developers for balance area of 2.16 million square feet (approx.), the asset area is under identification by DIAL vide agreement dated August 27, 2021. Accordingly, all payments will be due basis the handover of asset area. Pending identification of asset area and effectiveness of lease, DIAL has reversed the lease receivables (including unbilled revenue) of Rs. 462.33 crore pertaining to these two developers recognized earlier until August 2021 in accordance with recognition and measurement principles under Ind AS 116 "Leases". Further, DIAL has also reversed the provision of annual fee to AAI of Rs. 144.11 crore corresponding to the straight lining adjustments of Ind AS 116 recognized earlier until August 2021. Further, DIAL has also made the required adjustments of RSD as per Ind AS 109, reversing the discounting impact amounting to Rs. 6.94 crore in consolidated financial results. The net amount of Rs. 325.16 crore is disclosed as an "Exceptional item" in the consolidated financial results of the Group for the year ended March 31, 2022.

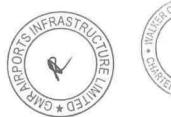

(b) DIAL issued various communications to Airport Authority India ("AAI") from the month of March 2020 onwards inter-alia under Article 16 (Force Majeure) and informed AAI that consequent to outbreak of Covid-19 pandemic, the entire aviation industry, particularly the Indira Gandhi International ("IGI") Airport has been adversely affected. It was specifically communicated that the said crisis has materially and adversely affected the business of DIAL which in turn directly impacts the performance of DIAL's obligations under the Operation Management Development Agreement ("OMDA") (including obligation to pay Annual Fee/Monthly Annual Fee) while it is continuing to perform its obligation to operate, maintain and manage the IGI Airport. DIAL thereby invoked Force Majeure post outbreak of COVID-19 "A Pandemic" as provided under Article 16 of OMDA and claimed that it would not in a position to perform its obligation to prepare Business Plan and pay Annual Fee/ Monthly Annual fee to AAI. The said event(s) of Force Majeure had also been admitted by AAI in its communication to DIAL. Consequently, DIAL is entitled to suspend or excuse the performance of its said obligations to pay Annual Fees/ Monthly Annual Fees as notified to AAI. However, AAI has not agreed to such entitlement of DIAL under OMDA. This has resulted in dispute between DIAL & AAI and for the settlement of which, DIAL has invoked on September 18, 2020 dispute resolution mechanism in terms of Article 15 of OMDA. Further, on December 02, 2020, DIAL again requested AAI to direct the ICICI Bank (Escrow Bank) to not transfer the amounts from Proceeds Accounts to AAI Fee Account, seeking similar treatment as granted by Hon'ble High Court of Delhi to Mumbai International Airport Limited.

In the absence of response from AAI, DIAL approached Delhi High Court seeking certain interim reliefs by filing a petition u/s 9 of Arbitration & Conciliation Act on December 05, 2020 due to the occurrence of Force Majeure event due to outbreak of COVID 19 and its consequential impact on business of DIAL, against AAI and ICICI Bank (Escrow Bank). The Hon'ble High Court of Delhi vide its order dated January 05, 2021 has granted ad-interim reliefs with following directions:

- The ICICI Bank is directed to transfer back, into the Proceeds Account, any amount which may have been transferred from the Proceeds Account to the AAI Fee Account, after December 09, 2020,
- Transfer of moneys from the Proceeds Account to the AAI Fee Account, pending further orders, shall stand stayed and DIAL can use money in Proceeds Account to meet its operational expenses.

Meanwhile with the nomination of arbitrators by DIAL and AAI and appointment of presiding arbitrator, the arbitration tribunal has been commenced from January 13, 2021. The final arguments before arbitration tribunal were closed in February and March 2023 and final order of Arbitration Tribunal is awaited.

Before DIAL's above referred section 9 petition could be finally disposed off, AAI has preferred an appeal against the ad-interim order dated January 05, 2021 under section 37 of the Arbitration and Conciliation Act, 1996 before division bench of Delhi High Court which is listed for considerations and arguments.

In compliance with the ad-interim order dated January 05, 2021, AAI has not issued any certificate or instructions to the Escrow Bank from December 09, 2020 onwards regarding the amount of AAI Fee payable by DIAL to AAI, as contemplated under the Escrow Agreement and the OMDA. Resultantly both pursuant to the ad-interim order of Hon'ble Delhi High Court and in the absence of any certificate or instruction from AAI, the Escrow Bank has not transferred any amount pertaining to AAI Fee from Proceeds Account to AAI Fee Account of the Escrow Account from December 09, 2020 onwards.

Basis the legal opinion obtained, DIAL is entitled to not to pay the Monthly Annual fee under article 11.1.2 of OMDA to AAI being an obligation it is not in a position to perform or render on account of occurrence of Force Majeure Event, in terms of the provisions of Article 16.1 of OMDA till such time DIAL achieves level of activity prevailing before occurrence of Force majeure. Further, DIAL has also sought relief for refund of MAF of an amount of Rs. 465.77 crore appropriated by AAI for the period starting from March 19, 2020 till December 2020.

In view of the above, the management of DIAL had not provided the Monthly Annual Fee to AAI for the period April 1, 2020 to March 31, 2022 amounting to Rs. 1,758.28 crore.

As AAI had already appropriated the Monthly Annual Fee amounting to Rs. 446.21 crore from April 01, 2020 till December 09, 2020, which DIAL has already protested, the same has been shown as Advance to AAI paid under protest. However, since the recovery of this amount is sub-judice before the Hon'ble Delhi High Court and the arbitral tribunal, as a matter of prudence, DIAL had decided to create a provision against above advance and shown the same in other expenses for the year ended March 31, 2021.

As an interim arrangement the Parties (DIAL and AAI) by mutual consent and without prejudice to their rights and contentions in the dispute before the arbitral tribunal, have entered into a settlement agreement dated April 25, 2022, for the payment of Annual Fee/ Monthly Annual Fee (AF/ MAF) with effect from April 2022, prospectively. Accordingly, DIAL is paying the MAF to AAI w.e.f. April 1, 2022 onwards as per approved Business Plan.

Consequent to this interim arrangement, both DIAL and AAI have filed copy of the Agreement in their respective petition and appeal before Hon'ble Delhi High Court and have withdrawn the pending proceedings Abis arrangement is entirely without prejudice to the rights and contentions of the parties

in respect of their respective claims and counter claims in the pending arbitration proceedings, including the disputes in respect of payment/ non-payment of MAF from March 19, 2020 onwards, till such time as provided in Article 16.1.5 (c) of OMDA.

4. (a) In case of GMR Hyderabad International Airport Limited ('GHIAL'), a subsidiary of the Company, had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA').

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 1, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated March 06, 2020 has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, has filed an appeal against the Order with TDSAT, as the management is of the view that AERA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 06, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

(b) In case of DIAL AERA has issued tariff order no 57/2020-21 for third control period ("CP3") starting from April 01, 2019 to March 31, 2024 on December 30, 2020 allowing DIAL to continue with Base Airport Charges ("BAC")+10% tariff for the balance period of third control period. AERA has also allowed compensatory tariff in lieu of Fuel Throughput Charges w.e.f. February 01, 2021 for the balance period of third control period. DIAL had also filed an appeal against some of AERA's decision in third control period order on January 29, 2021 with Telecom disputes settlement and appellate tribunal ("TDSAT").

DIAL's appeal against the second control period ("CP2") is pending before the TDSAT and the same is still to be heard which shall be heard in due course. Also, DIAL in respect of TDSAT order against

first Control period appeal dated April 23, 2018 has filed a limited appeal in the Hon'ble Supreme Court of India on July 21, 2018 in respect of which judgement pronounced on July 11, 2022, citing that all appeals are dismissed, except on the issue relating to corporate tax pertaining to aeronautical services, where DIAL's contention has been accepted that the Annual Fee paid by DIAL should not be deducted from expenses pertaining to aeronautical services before calculating the 'T' (tax) element in the formula.

TDSAT at the request of AERA and concurred by DIAL, has agreed to tag CP2 appeal with CP3 appeal. The arguments are concluded in matter and DIAL has made written submissions on May 23, 2023. The final order is reserved.

5. (a) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from PSF (SC) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (b) below) along with interest till date of reversal. GHIAL had utilised approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Comptroller and Auditor General, during their audits of PSF (SC) fund, observed that the funds utilised by GHIAL is contrary to the directions issued by MoCA. Management is of the opinion that the utilisation of funds from PSF(SC) escrow account is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, GHIAL had challenged the said order vide writ petition before the Hon'ble High court of Andhra Pradesh. The Hon'ble High Court, vide its order dated March 03, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against GHIAL it shall restore the PSF (SC) Fund to this extent. The matter is currently sub judice with the Hon'ble High Court of Telangana.

Based on the internal legal assessments, GHIAL's management is of the view that no further adjustments are required to be made, in this regard to the accompanying consolidated financial results of the Group for the year ended March 31, 2023.

(b) As per the advice from the Ministry of Home Affairs and the Standard Operating Procedures ('SOP') issued by MoCA on March 06, 2002, GHIAL, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited ('HASSL' liquidated on September 20, 2019) constructed residential quarters for Central Industrial Security Forces ('CISF') deployed at the Hyderabad airport. After

completion of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore till March 31, 2018 was debited to the PSF (SC) Fund with corresponding intimation to MoCA. The Comptroller and Auditor General of India ('CAG'), during their audits of PSF (SC) Fund, observed that, GHIAL had not obtained prior approval from MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated January 08, 2010 and April 16, 2010 issued by MoCA. However, management of the Group is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached MoCA for approval to debit such costs to the PSF (SC) Fund account. Pending final outcome of the matter from Hon'ble High Court of Telangana, residential quarters continued to be accounted under PSF (SC) Fund and no adjustments have been made to the accompanying consolidated financial results of the Group for the year ended March 31, 2023.
