Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

#### To the Board of Directors of GMR Airports Infrastructure Limited (formerly known as GMR infrastructure Limited)

- We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of GMR Airports Infrastructure Limited ('the Company') for the quarter ended 30 September 2022 and the year to date results for the period 01 April 2022 to 30 September 2022, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. We draw attention to note 3 of the accompanying Statement which describes the uncertainties relating to the future outcome of the ongoing litigations and claims pertaining to Delhi International Airport Limited ('DIAL') and GMR Hyderabad International Airport Limited ('GHIAL') and their impact on the carrying value of investments in GMR Airports Limited. Our conclusion is not modified in respect of this matter.

6. We draw attention to note 2 to the accompanying Statement, which describes the impact of amalgamation of GMR Power Infra Limited with the Company and demerger of Engineering, procurement and construction (EPC) business and Urban Infrastructure Business (including Energy Business) of the Company into GMR Power and Urban Infra Limited, pursuant to the Composite scheme of amalgamation and arrangement (the 'Scheme') approved by the National Company Law Tribunal vide its order dated 22 December 2021. - 3. The fair value of investments in equity shares and Compulsorily Convertible Preference shares ('CCPS') of GMR Airports Limited ('GAL') are subject to likely outcome of ongoing litigations and claims pertaining to Delhi International Airport Limited ('DIAL') and GMR Hyderabad International Airport Limited ('GHIAL') as follows:
  - Ongoing arbitration between DIAL and Airports Authority of India ('AAI') in relation to the payment of Monthly Annual fees for the period till the operations of DIAL reaches pre COVID 19 levels. Basis an independent legal opinion obtained by the management of DIAL, DIAL is entitled to be excused from making payment of Monthly Annual fee under article 11.1.2 of OMDA to AAI on account of occurrence of Force Majeure Event under Article 16.1 of OMDA, till such time DIAL achieves level of activity prevailing before occurrence of force majeure. In view of the above, the management has considered recovery of Rs. 447.00 crore paid under protest in subsequent periods for the purposes of estimation of the fair valuation of investment made by the Company in DIAL through GAL. Further, the management of DIAL had entered into settlement agreement with AAI on 25 April 2022 which will govern interim workable arrangement between parties for the payment of MAF. Accordingly, DIAL had started payment of MAF with effect from 1 April 2022 onwards.
  - Consideration of Cargo, Ground Handling and Fuel farm ('CGHF') income as part of non-aeronautical revenue in determination of tariff for the third control period by Airport Economic Regulatory Authority in case of GHIAL. GHIAL has filed appeal with Telecom Disputes Settlement Appellate Tribunal ('TDSAT') and during the previous year, the adjudicating authority, TDSAT, in its disposal order dated 6 March 2020 has directed AERA to reconsider the issue afresh while determining the aeronautical tariff for the Third Control Period commencing from 1 April 2021. In July 2020, the GHIAL has filed an application with the AERA for determination of Aeronautical tariff for the third control period commencing from 1 April 2026 wherein it has contended that CGHF income shall be treated as non-aero revenue. The management has also obtained legal opinion and according to which GHIAL position is appropriate as per terms of Concession agreement and AERA Act, 2008.
- 4. Exceptional items primarily comprise of gain/ (loss) in carrying value of investments and loans carried at amortised cost.

- 5. The unaudited standalone financial results for the quarter and six month period ended 30 September 2022 reflected an excess of current liabilities over current assets of Rs. 351.21 crore and losses from continuing operations after tax amounting to Rs. 36.74 crore. The management is of the view that this is situational in nature since the net worth of the Company is positive and management has taken various initiatives to further strengthen its short-term liquidity position including raising finances from financial institutions and strategic investors and other strategic initiatives. Such initiatives will enable the Company to meet its financial obligations, improve net current assets and its cash flows in an orderly manner.
- 6. The Company has majority of its investments in the Airport sector (Investee entities). Investee entities have witnessed recovery in demand for air travel during later part of the previous year with removal of restrictions on inter-state and international travel, relaxations by the State Governments, increase in the vaccination drive. During the current period, the operation of the Investee entities has significantly improved and are currently operating near the pre-covid level of operations.
- 7. During the quarter ended 30 September 2022, GMR Airports International BV (GAIBV), a step down subsidiary of the Company, has entered into definitive agreements with Aboitiz InfraCapital Inc (AIC), for AIC to acquire shares in GMR-Megawide Cebu Airport Corporation (GMCAC), Mactan Travel Retail Group Corp (MTRGC) and SSP-Mactan Cebu Corporation (SSP MCC). GAIBV will receive cash consideration of PHP 9.4 billion (including exchangeable notes). Further, GAIBV is also eligible for additional deferred consideration based on subsequent performance of GMCAC. The transaction is subject to certain regulatory and lenders approvals in Philippines which are pending to be received as on 30 September 2022.

While the total consideration to be realized pursuant to the aforementioned definitive agreement shall be in excess of the amount originally invested in the aforementioned group entities, but since such investments in GAL have been carried at Fair Value through Other Comprehensive Income (FVOCI) in accordance with Ind – AS 109 (Financial instruments), the Company has recorded a decline in the fair value of equity investments in GAIBV held through GAL in the current quarter and six month ended 30 September 2022.

8. The unaudited standalone financial results of the Company for quarter and the six month period ended 30 September 2022 have been reviewed by the Audit Committee in their meeting on 14 November 2022 and approved by the Board of Directors in their meeting on 14 November 2022. The Statutory Auditors have carried out a limited review of the standalone financial results for the quarter and six month ended 30 September 2022.

9. Previous quarter/ period/ year's figures have been regrouped/ reclassified, wherever necessary to confirm to current period's classification.

3. (a) DIAL has entered into development agreements ("Development Agreements") with five developers collectively referred as Bharti Reality SPV's ("Developers") on 28 March 2019 ("Effective date") granting the Developers the right during the term for developing 4.89 million square feet commercial space from the Effective Date subject to the receipt of applicable permits. As per the terms of Development Agreements, DIAL was entitled to receive interest free refundable security deposit ("RSD"), advance development cost ("ADC") and the annual lease rent ("ALR") in certain manner and at certain times as stated in the respective Development Agreements.

With respect to the receipt of applicable permits, the approval of Concept Master Plan ("CMP") was received from Delhi Urban Art Commission (DUAC) in March 2021. Thereafter, a sudden surge in Covid-19 cases emerged in India affecting the entire economy. Accordingly, DIAL was not in a position to effectuate the transaction and seek payment of ALR, balance amount of RSD and ADC from the Developers until August 2021.

On 27 August 2021, basis the CMP, DIAL has entered into certain modifications with respect to area and date of commencement of lease rental for the three Developers. As per amended agreements, lease rentals have started with effect from 1 September 2021 for modified area of 2.73 million square feet (approx.).

Accordingly, considering the above and the amendment with three Developers as Lease Modification, lease receivables (including unbilled revenue) of Rs. 678.04 crore accrued until August 2021 shall be adjusted to balance lease period, in accordance with recognition and measurement principles under Ind AS 116 "Leases". Consequently, DIAL has also carried forward the provision of annual fee to AAI of Rs. 211.35 crore corresponding to straight lining adjustments of Ind AS 116 which will get adjusted in future in line with Lease receivables.

In respect of Development agreements with two Developers for balance area of 2.16 million square feet (approx..), the asset area will be identified by DIAL not later than 28 February 2023, as per mutual understanding vide agreement dated 27 August 2021. Accordingly, all payments will be due basis the handover of asset area. Pending identification of asset area and effectiveness of lease, DIAL has reversed the lease receivables (including unbilled revenue) of Rs. 462.33 crore pertaining to these two developers recognized earlier until August 2021 in accordance with recognition and measurement principles under Ind AS 116 "Leases". Further, DIAL has also reversed the provision of annual fee to AAI of Rs. 144.11 crore corresponding to the straight lining adjustments of Ind AS 116 recognized earlier until August 2021. Further, DIAL has also made the required adjustments of RSD as per Ind

AS 109, reversing the discounting impact amounting to Rs. 6.94 crore in consolidated financial results. The net amount of Rs. 325.16 crore is disclosed as an "Exceptional item" in the consolidated financial results of the Group during quarter and six month period ended 30 September 2021 and the year ended 31 March 2022.

(b) DIAL issued various communications to Airports Authority of India ("AAI") from the month of March 2020 onwards inter-alia under Article 16 (Force Majeure) and informed AAI that consequent to the outbreak of Covid-19 pandemic, the entire aviation industry, particularly the Indira Gandhi International ("IGI") Airport has been adversely affected. It was specifically communicated that the said crisis has materially and adversely affected the business of DIAL which in turn has directly impacted the performance of DIAL's obligations under the Operations Management and Development Agreement ("OMDA") (including obligation to pay Annual Fee/Monthly Annual Fee) while DIAL is continuing to perform its obligation to operate, maintain and manage the IGI Airport. DIAL thereby invoked Force Majeure post outbreak of COVID-19 "A Pandemic" as provided under Article 16 of OMDA and claimed that it would not be in a position to perform its obligation to prepare Business Plan and pay Annual Fee/ Monthly Annual fee to AAI. The said event(s) of Force Majeure had also been admitted by AAI in its communication to DIAL. Consequently, DIAL is entitled to suspend or excuse the performance of its said obligations to pay Annual Fee/Monthly Annual Fee as notified to AAI. However, AAI has not agreed to such entitlement of DIAL under OMDA. This has resulted in dispute between DIAL & AAI and for the settlement of which, DIAL has invoked on 18 September 2020 dispute resolution mechanism in terms of Article 15 of OMDA. Further, on 2 December 2020, DIAL again requested AAI to direct the ICICI Bank (Escrow Bank) to not to transfer the amounts from Proceeds Accounts to AAI Fee Account, seeking similar treatment as granted by Hon'ble High Court of Delhi to Mumbai International Airport Limited.

In the absence of response from AAI, DIAL approached Delhi High Court seeking certain interim reliefs by filing a petition under section 9 of Arbitration & Conciliation Act on 5 December 2020 due to the occurrence of Force Majeure event post outbreak of COVID 19 and its consequential impact on business of DIAL, against AA1 and ICICI Bank (Escrow Bank). The Hon'ble High Court of Delhi vide its order dated 5 January 2021 has granted ad-interim reliefs with following directions:

- The ICICI Bank is directed to transfer back, into the Proceeds Account, any amount which may have been transferred from the Proceeds Account to the AAI Fee Account, after 9 December 2020,
- Transfer of moneys from the Proceeds Account to the AAI Fee Account, pending further orders, shall stand stayed and DIAL can use money in Proceeds Account to meet its operational expenses.

Meanwhile with the nomination of arbitrators by DIAL and AAI and appointment of presiding arbitrator, the arbitration tribunal has been constituted on 13 January 2021. After the completion of pleadings, filing of witness affidavits and conclusion of their cross examination on 20 October 2022, the matter is now listed for arguments in February 2023 and March 2023.

Before DIAL's above referred Section 9 petition could be finally disposed off, AAI has preferred an appeal against the ad-interim order dated 5 January 2021 under section 37 of the Arbitration and Conciliation Act, 1996 before division bench of Hon'ble High Court of Delhi, which is listed for consideration and arguments.

In compliance with the ad-interim order dated 5 January 2021, AAI had not issued any certificate or instructions to the Escrow Bank from 9 December 2020 onwards regarding the amount of AAI Fee payable by DIAL to AAI, as contemplated under the Escrow Agreement and the OMDA. Resultantly both pursuant to the ad-interim order of Hon'ble Delhi High Court and in the absence of any certificate or instruction from AAI, the Escrow Bank has not transferred any amount pertaining to AAI Fee from Proceeds Account to AAI Fee Account of the Escrow Account from 9 December 2020 onwards.

Basis the legal opinion obtained, DIAL is entitled to not to pay the Monthly Annual fee under article 11.1.2 of OMDA to AAI being an obligation it is not in a position to perform or render on account of occurrence of Force Majeure Event, in terms of the provisions of Article 16.1 of OMDA till such time DIAL achieves level of activity prevailing before occurrence of Force majeure. Further, DIAL had also sought relief for refund of MAF of an amount of Rs. 465.77 crore appropriated by AAI for the period starting from 19 March 2020 till December 2020.

In view of the above, the management of DIAL had not provided the Monthly Annual Fee to AAI for the period 1 April 2020 to 31 March 2022 amounting to Rs. 1,758.28 crore.

As AAI had already appropriated the Monthly Annual Fee amounting to Rs. 446.21 crore from 1 April 2020 till 09 December 2020, which DIAL had already protested. The same had been shown as Advance to AAI paid under protest. However, since the recovery of this amount is sub-judice before the Hon'ble High Court of Delhi and the arbitral tribunal, as a matter of prudence, DIAL had created a provision against above advance and shown the same in other expenses during financial year ended 31 March 2021.

As an interim arrangement the Parties (DIAL and AAI) by mutual consent and without prejudice to their rights and contentions in the dispute before the arbitral tribunal, have entered into a settlement agreement dated 25 April 2022, for the payment of Annual Fee/ Monthly Annual Fee (AF/ MAF) with effect from April 2022, prospectively. Accordingly, DIAL is paying the MAF to AAI w.e.f. 1 April 2022 onwards as per approved Business Plan.

Consequent to this interim arrangement, both DIAL and AAI have filed copy of the settlement agreement in their respective petition and appeal before Hon'ble High Court of Delhi and have withdrawn the pending proceedings. This arrangement is entirely without prejudice to the rights and contentions of the parties in respect of their respective claims and counter claims in the pending arbitration proceedings, including the disputes in respect of payment/ non-payment of MAF from 19 March 2020 onwards, till such time as provided in Article 16.1.5 (c) of OMDA.

4. (a) In case of GMR Hyderabad International Airport Limited ('GHIAL'), a subsidiary of the Company, had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from 1 April 2011 to 31 March 2016 by Airport Economic Regulatory Authority ('AERA'). The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated 6 March 2020

has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from 1 April 2021.

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from 1 April 2016 to 31 March 2021, AERA had issued a consultation paper on 19 December 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt visa-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP.

Consequent to the Order passed by TDSAT dated 6 March 2020, AERA, in respect of the remainder of the SCP, i.e. from 1 April 2020 to 31 March 2021, had determined the Aeronautical tariff vide its Order dated 27 March 2020. Accordingly, GHIAL has applied aeronautical tariff for determination of aeronautical revenue as per the aforesaid order for the year ended 31 March 2022 and for the period ended 30 September 2022, pending finalization of aeronautical tariff for the TCP. During the period, AERA vide its Order dated 31 August 2021, has issued Tariff Order for the TCP effective from 1 October 2021 and accordingly GHIAL has applied aeronautical tariff for determination of aeronautical tariff aeronautical tariff for the TCP effective from 1 October 2021 and accordingly GHIAL has applied aeronautical tariff for determination of aeronautical revenue as per the aforesaid order for the period effective 1 October 2021.

Alternatively, GHJAL has also filed an appeal against the Tariff Order for the TCP with TDSAT, as GHJAL's management is of the view that AREA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated 6 March 2020.

(b) In case of DIAL, AERA has issued tariff order no 57/2020-21 for third control period ("CP3") starting from 1 April 2019 to 31 March 2024 on 30 December 2020 allowing DIAL to continue with BAC+10% tariff for the balance period of third control period. AERA has also allowed compensatory tariff in lieu of Fuel Throughput Charges w.e.f. 1 February 2021 for the balance period of third control period. DIAL had also filed an appeal against some of AERA's decision in third control period order on 29 January 2021 with TDSAT.

DIAL's appeal against the second control period ("CP2") is pending before the TDSAT and the same is still to be heard which shall be heard in due course. Also, DIAL in respect of TDSAT order against first Control period appeal dated 23 April 2018 has filed a limited appeal in the Hon'ble Supreme Court of India on 21 July 2018 respect of which judgement pronounced on 11 July 2022, citing that all appeals are dismissed, except on the issue relating to corporate tax pertaining to aeronautical services, where DIAL's contention has been accepted that the Annual Fee paid by DIAL should not be deducted from expenses pertaining to aeronautical services before calculating the 'T' (tax) element in the formula.

TDSAT at the request of AERA and concurred by DIAL, has agreed to tag CP2 appeal with CP3 appeal. The matter is now listed for hearing both appeals together.

5. (a) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from PSF (SC) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (b) below) along with interest till date of reversal. GHIAL had utilised approximately Rs. 142.00 crore towards the above expenses, excluding related maintenance expense, other costs and interest thereon till 31 March 2018 which is presently unascertainable. Management is of the opinion that the utilisation of funds from PSF(SC) escrow account is consistent with the Standard Operating Procedures ('SOPs'), guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, GHIAL had challenged the said order before the Hon'ble High court of Andhra Pradesh. The Hon'ble High Court, vide its order dated 3 March 2014 followed by further clarifications dated 28 April 2014 and 24 December 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against GHIAL it shall restore the PSF (SC) Fund to this extent.

Based on the internal assessments, GHIAL's management is of the view that no further adjustments are required to be made, in this regard to the accompanying consolidated financial results of the Group for the quarter and six month period ended 30 September 2022.

(b) As per the advice from the Ministry of Home Affairs and the SOPs issued by MoCA on 6 March 2002, GHIAL, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited ('HASSL') constructed residential quarters for Central Industrial Security Forces ('CISF') deployed at the Hyderabad airport. After completion of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore was debited to the PSF (SC) Fund with corresponding intimation to MoCA. The Comptroller and Auditor General of India ('CAG'), during their audits of PSF (SC) Fund, observed that, GHIAL had not obtained prior approval from MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated 8 January 2010 and 16 April 2010 issued by MoCA. However, management of the Group is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached MoCA for approval to debit such costs to the PSF (SC) Fund account. Further, GHIAL requested MoCA to advice the AERA for considering the cost of land/ construction and other related costs with regard to the aforesaid residential quarters in determination of Aeronautical Tariff for the Hyderabad airport. Pending final instruction from MoCA, cost of residential quarters continued to be accounted in the PSF (SC) Fund and no adjustments have been made to the accompanying consolidated financial results of the Group for the quarter and six month period ended 30 September 2022.
